On page 14, it is stated that, when the door is being opened, "cable 28 begins to unwind" from drum 46. This is inaccurate.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

Claims 1-23 and 32 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The cables have not been recited in claim 1. The cables are an integral part of the invention without which the structure recited in claim 1 would not be operable.

Allowable Subject Matter

Claims 24-31 are allowed.
